

FRIENDS OF AL ALLEN

LYLES, TN

Benefit: May 22, 2010

Dear Friends/Business Owners,

AL ALLEN, a life long resident of Hickman County, and he has been diagnosed with Frontotemporal Dementia. He was first diagnosed in August 2009 and has been diagnosed with Lou Gehrig's Disease, also known as 'ALS' in February this year. He has been to the Mayo Clinic in Rochester, Minnesota 2 times. As you may know, this is a very expensive and long term process. The cause of ALS is unknown. It is a rare disease, affecting about 5000 Americans each year. There is no cure for ALS.

Al worked for Tencon many years until it closed and then worked at Universal Fasteners in Centerville before leaving to work for Nashville Gas in Nashville. His wife Janie works for the Bon Aqua Utility District and they have 1 son, Willie and his wife Kristen (Boehms), Al's Mother and Father Dot & Bill Allen, and his sister Ann Hooten. Al was struck with the first sign of problems the night after his only grand-daughter Sadie, was born.

To help in this cause, a benefit is being held for Al at the **East Hickman Buford McCord Park and the East Hickman Community Center on Saturday, May 22, 2010, from 10:00 AM - 10:00 PM**. There will be food served, live auction, music and entertainment for everyone. We are accepting monetary donations, items to be auctioned, and baked goods to be sold. If you wish to donate an item or have any questions you may contact any of the leaders listed below.

Thank you for your support,

Janice Buchanan
670-3957 or 670-3119

Christy Christy
670-9936 or 615-289-2601

Donna England
670-4690

Margaret Holland
670-4658

Brenda Isbell
